FALL 2023 SURVEY

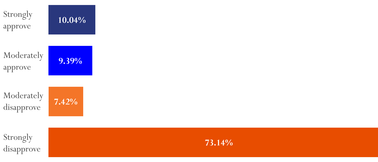
REP. PETER ABBARNO
20TH LEGISLATIVE DISTRICT

N = 464 | Sept. 29 - Dec. 1, 2023

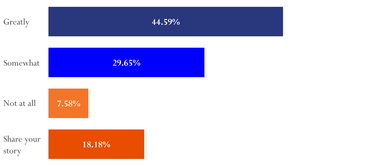
Q1: In 2021, the majority party passed Senate Bill 5126, a cap-and-trade program also known as the Climate Commitment Act (CCA).

Under this program, Washington companies that emit carbon dioxide, including oil companies, must buy allowances at state auctions. The cost of complying with this new program has been passed onto consumers, causing a 50 cent per gallon increase to the price of regular gasoline.

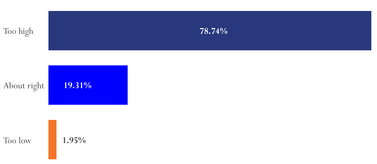
Do you approve or disapprove of this new program?



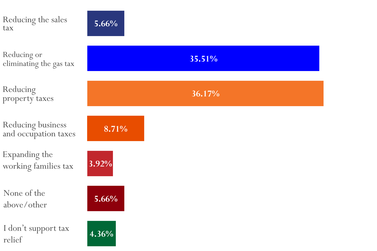
Q2: How much has $5 per gallon gas affected your life?



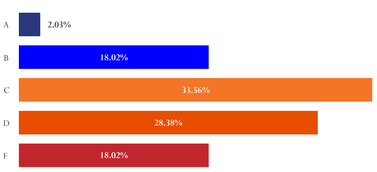
Q3: Do you believe state taxes in Washington are:



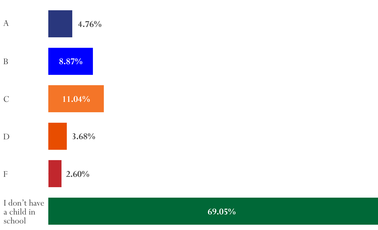
Q4: Of the following tax-relief solutions, which one do you most support?



Q5: How would you grade the state's K-12 education system?

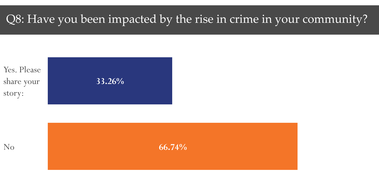


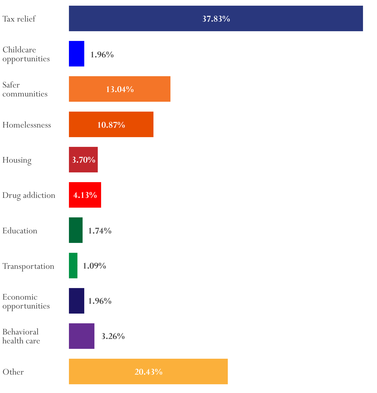
Q6: How would you grade your child's school?



Q7: Have you been impacted by the increase in the cost of living?

Q8: Have you been impacted by the rise in crime in your community?





Q9: Which one of the following issues do you want the Legislature to address first?
